Spring/Summer 2022

Many thanks to all the leaders who have offered the walks listed below.

Thursday And Sunday Walks: All members participate in these walks at their own risk. They should bring with them sufficient food and water and wear suitable clothing and footwear. Stout boots must be worn on all mountain and moorland walks. Leaders have the authority to refuse to take members who, in the leader's opinion, do not appear fit enough for the proposed route or are insufficiently equipped. Members are reminded that walk leaders cannot be responsible for ramblers going ahead of the group and beyond visual contact. Dogs cannot be permitted.

Walks arrangements until further notice

Members Booking: if you wish to join a walk, please contact the leader (preferably by email where address supplied, or by phone) not more than one week before the walk; numbers on some walks may be restricted e.g., by parking capacity.

Transport: where parking capacity is limited members are now encouraged to share cars (e.g., 1-2 passengers/car), where practical and only if they are comfortable with this. Leaders can advise on transport options and parking issues. Start of walk times may be adjusted nearer the walk date where parking is an issue. When sharing cars, contributions towards fuel costs are suggested as £3/passenger on average, less on short rides or up to £5 for longest trips at driver's discretion.

Non-members Booking: If you wish to join a walk, please contact the Secretary.
