Thursday and Sunday Walks Arrangements

Booking: if you wish to join a walk please contact the leader (preferably by email where address supplied, or by phone) not more than one week before the walk; numbers on some walks may be restricted e.g. by parking capacity.

Transport: where parking capacity is limited members are encouraged to share cars where practical. Leaders can advise on transport options and parking issues. Start of walk times may be adjusted nearer the walk date where parking is an issue. When sharing cars, contributions towards fuel costs are suggested as £3/passenger on average (and subject to fuel prices), less on short rides or up to £5 for longest trips at driver's discretion.

Thursday And Sunday Walks Conditions: All members participate in these walks at their own risk. They should bring with them sufficient food and water and wear suitable clothing and footwear, and adequate first aid items for their own use. Stout boots must be worn on all mountain and moorland walks. Leaders have the authority to refuse to take members who, in the leader's opinion, do not appear fit enough for the proposed route or are insufficiently equipped. Members are reminded that walk leaders cannot be responsible for ramblers who go ahead of the group and beyond visual contact, or who leave the group without informing the leader or backmarker. We regret dogs cannot be permitted. More details of the walks may be obtained from the leaders, whose phone numbers and email addresses are included. Many thanks to all the leaders who have offered the walks listed above.

Grades of Walks : A – A strenuous outing, mostly mountains, perhaps some scrambling; if easier terrain, it will be long
B – Moderate for the reasonably fit, but often visiting mountain tops
C – Easy, mostly pastoral
D – Easy, short

Alternative Walks: on some Sundays additional, alternative walks may be offered at short notice, normally a B or C grade walk when the main programmed walk is an A grade. These are not intended to 'compete' for walkers but to offer a wider choice of walks for club members who do not wish to do the harder walks. The leader of the programmed walk will be consulted before an additional/alternative walk is proposed on the same day. On some Thursdays shorter D grade walks may also be offered as alternatives to programmed C grade walks.
